

SELECTING A DUEL DUO TEST

DESCRIPTION: This test will verify that you can draw two cards to make up Your Duo Team

Steps:

1. Navigate to Duel Duo App. Refresh.
2. Click on the Draw Button.
3. Choose two robots to add to your queue by clicking the "Add to Duo" button for each of them.
4. Click the "Remove from Duo" button to ensure you can change your selection.
5. Once you have removed and readded at least two cards, click the "Duel" button.
6. Your Duo cards should move to the top of the screen to play against the Computer Duo.

Test Postconditions:

1. You should have two robot cards displayed.
2. Their names should match those you selected in the test.
